Tipping the Scales for Scholarship

The gift of scholarship is transformative. For our students, it means the chance to embark on a legal career and achieve a lifelong goal.

By making a donation to the Scholarship Fund, you will be directly impacting a student. Your gift goes beyond providing financial assistance; it shows students that there is an individual who supports them and wants them to excel.

Make of gift of scholarship:
www.law.umaryland.edu/JDScholarships

We are committed to creating an outstanding student body by admitting the best and most promising students regardless of financial means. A robust financial aid program reflects Dean Donald Tobin's first priority: our students.
