### EDITOR'S NOTE

Volume 8, Number 2 is the second issue published since the *Journal* changed its name to include all aspects of international law, in addition to trade law. We hope our readers will enjoy the pieces on protective orders and offshore banking which we are able to offer under our broader subject matter guidelines.

The Editors would like to acknowledge the assistance of Dr. Lyushun Shen, Staff Consultant at the Coordination Council for North American Affairs, Washington, D.C., who furnished texts for *Legal Aspects of Offshore Banking in Taiwan*. In addition, we would like to thank David Simon of Bregman, Abell, Kay and Simon, Washington, D.C., for his comments on *Legal Aspects of Offshore Banking in Taiwan*.
