## SENATOR SARBANES AT CHEVY CHASE CLUB

On June 6, 1995, an event for alumni from Montgomery County and surrounding areas was held at the Chevy Chase Club in Chevy Chase, Maryland. Nearly 100 alumni from several Maryland counties and Washington, D.C. attended. Senator Paul S. Sarbanes talked for almost 30 minutes about the "new Congress," then answered questions. Prior to his presentation he spoke informally with alumni in the club's grand ballroom.

The success of the event was due largely to the planning committee's efforts and infectious enthusiasm. Among those who gave their time so generously were Sheldon Schuman '65, Steve Van Grack '74, Roger Winston '79, William Wood '66 and Jeffrey Wyand '77. On behalf of the School of Law and all the event participants, thank you for a job well done.

The Montgomery County event drew the largest crowd of any alumni networking event ever sponsored by the Alumni Association. In our attempt to serve alumni throughout Maryland and beyond, we will hold similar events throughout
