THE EDITOR'S PAGE

In this Fall Issue, the REVIEW presents two articles of broad interest, "Civil and Criminal Commitment of the Mentally Ill in Maryland" by Howard S. Chasanow, Esq., and "Reclassification, Variances and Special Exceptions in Maryland" by Robert J. Carson, Esq. Mr. Chasanow, former Casenote Editor of the REVIEW, presents a thorough analysis of Maryland's commitment procedures for the mentally ill with emphasis on the statutory background. Mr. Carson, former Editor of the REVIEW, concerns himself with the relationships between, and "substantive legal bases" for, reclassification, variances and special exceptions.

The REVIEW would like to remind its readers that the cumulative index to the 21 volumes of the REVIEW will be available early in 1962.
