Alumni Directory
to be Published in '97
A new Alumni Directory will be available to all alumni in the summer of 1997. This fall you will receive a questionnaire to be used for compiling the directory. Please take a moment to fill out the questionnaire and return it to Harris Publishing, who will be handling the production process. The directory is published once every five years so don't miss this opportunity to be included with your most recent information. You will receive notice about purchasing a directory at a later date.
